

Acknowledgement of source of Historical Information on Toongabbie Primary School

The story of the early years of Toongabbie rests with the research of Roger Ries, our local historian and I.T. Maddern's book, *The History of Toongabbie Victoria 1862-1967*. Our grateful thanks are extended to his wife, Mrs Maddern, for permission to use material from his book.

For the recent history, John Guengerich, the present principal who has a previous association with the school, collected much valuable information and added another dimension.

We acknowledge the assistance of the Gippsland Region and Melbourne's Department of School Education staff in obtaining documents and information on our behalf. We are grateful to Jill van Poppel and Kate O'Mara who have prepared the manuscript.
